Challenger 604 For Sale. The 4,000-nautical-mile Challenger 604 is the most versatile, most ambitious Challenger yet.

Challenger 604 Private Jet Challenger 604 For Sale. The 4,000-nautical-mile Challenger 604 is the most versatile, most ambitious Challenger yet. An elegant intercontinental aircraft renowned for its comfortable wide body cabin. The Challenger 604 is an athletic, long-distance performer that takes intercontinental leaps in easy stride, so you can act effectively globally. But the Challenger 604 is also a solid transcontinental workhorse with the stamina, power and agility to handle short-range missions with surprising economy and “big jet” speed. If you are looking to buy a Challenger 604 jet this is an excellent example of this fine aircraft. Challenger 604 For Sale Airframe: 2,702 Hours Total 1,584 Landings RVSM
